

13 April 2021

Dear Mohamed Elwan,

## Application Decision

With reference to your application to study at Online Business School, we are delighted to advise that we are able to offer you an unconditional place on the following programme:

**Course title:** Business Management (Level 7 - 120 credits)  
**Duration:** 6 months  
**Type:** Online  
**Awarding body:** ATHE

**On successful completion of the programme, you will be accepted onto the Top Up Course (Online Learning) at Middlesex University.**

## Course Key Points:

- Each interactive module is aligned against specific learning outcomes specified by OFQUAL, the government's body for academic standards.
- Our web-based modules allow you to learn what you want, when you want and where you want.
- There is a 24/7 student social networking platform available, allowing you to interact with other students also on your course.

All course material is online. Each module consists of approximately 40 guided learning hours of material with an additional 30-50 hours of optional learning material. These materials comprise recommended exercises, recommended readings and internet resources. There are pre-recorded videos throughout the modules and a weekly live webinar where students can interact with a tutor and other students. Students will have access to a student portal and WhatsApp groups creating a network of support to other students. 1-2-1 tutor support via video call or phone call is unlimited.

With the flexibility of the course and enrolling students every day, examinations would not be feasible. Having said this a short multiple-choice test is taken at the end of each module before continuing onto the assignment. This is solely for the benefit of the student as the test will highlight any sections the student may need to revise before moving onto the assignment.

### **Your student experience**

At Online Business School you will be encouraged to arrange a tutor induction, during which a tutor will outline the basic requirements for completing assignments to the required standard. You are also eligible to book personal tutor sessions, which will assure you receive the highest level of support to achieve your educational goals.

### **Personal details**

Please notify Student Support if you change your address, e-mail or telephone contact details so that we will keep in touch with you until next enrolment. Good luck with your preparations and we hope you will be able to join us at Online Business School soon. If you have any further queries please do not hesitate to contact Student Support at [studentsupport@onlinebusinessschool.com](mailto:studentsupport@onlinebusinessschool.com)

Yours sincerely,

Roxana Pavel
